1. On 9 September 1950 the Goetzendorf (P 49/X 57) airfield was occupied by 45 Pe-2s, 3 twin-engine, semi-high-wing monoplanes, and two single-engine fighters. In the morning, Pe-2s practiced flying in formation of nine planes. *

2. Many officers were seen at the field. Instruction was given in the EM classroom. Two trucks and one tank truck. the [   ] were at 25X1 the field. [   ] were in the town near the kommandatura, and truck [   ] was seen at the instruction room for officers. The latter truck carried 22 officers, mostly lieutenants, to the instructions. **

* [   ] Comment. The aircraft strength at the field is the same as in the summer months of 1950. [   ] One regiment of the 8th Gds Dmr Div 25X1 is stationed there. The aircraft of the unit which were transferred in August 1950, presumably for maneuvers, appear to have returned to the field.
